New World Christmas Hamper

Yarrabank, Cuvee Brut Yarrabank is the result of a collaboration between Yering Station and Champagne Devaux. Every year, at opposite ends of the season, the winemakers travel to their partner's region to learn from and impart new ideas to the other. The naturally cool climate in the Yarra Valley, coupled with the mature, established Pinot Noir and Chardonnay vineyards make for extremely high quality, traditionally fermented and matured sparkling wines.

2009 Sauvignon Blanc, Cloudy Bay, Marlborough The most famous wine from New Zealand.

2005 Henry's Severn, Henschke, Barossa Big brooding, deep purple appearance and voluptuously rich in texture.

Skillogalee Wines Liqueur Muscat NV This fortified wine is made in the same way that tawny port is made. It is a blend of different vintages all made from fruit growing on Skillogalee vineyards. These separate wines are fermented and fortified and left to age in oak puncheons (500L). The current blend is made from 1992 and 1993 vintages predominantly, with a little older material to contribute some aged, rancio character and some younger wine to give freshness and lift. This shows nutty, raisin and apricot flavours, and is full and sweet enough to match well with the sweetest desserts
